P2P & OTC =

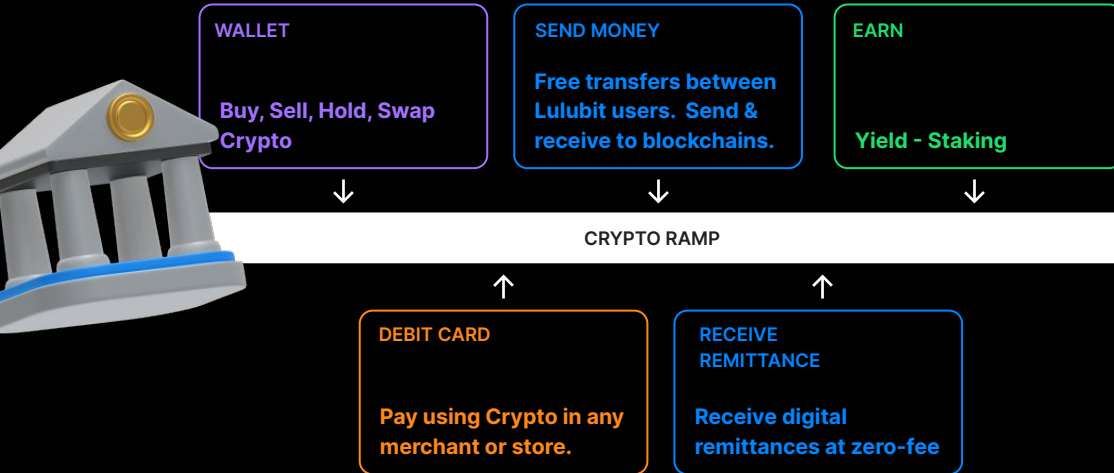

bad experience 👎 + high fees 💸 + shady 🕵️

Ramps between Crypto and Fiat

Ramps are the means, not the end. We use them to enable features: Buy and Sell Crypto, pay in the real economy (Crypto Card), investments (Staking) and to transfer money (Remittances).

We are fully compliant with local regulations.

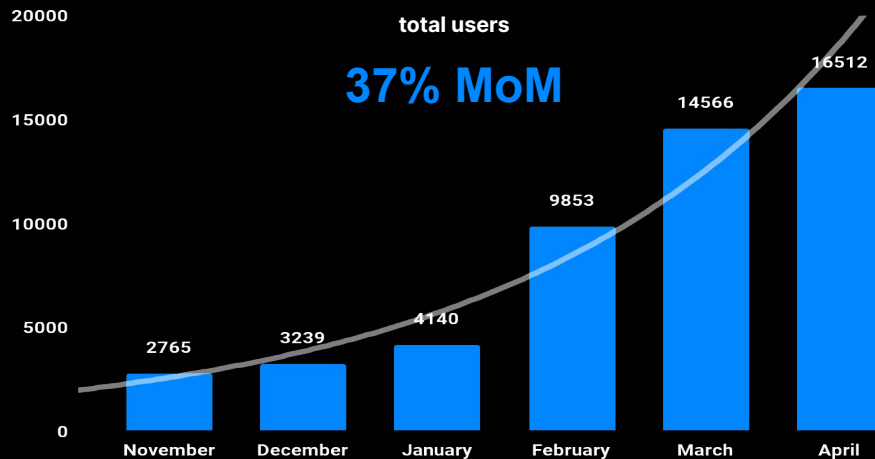

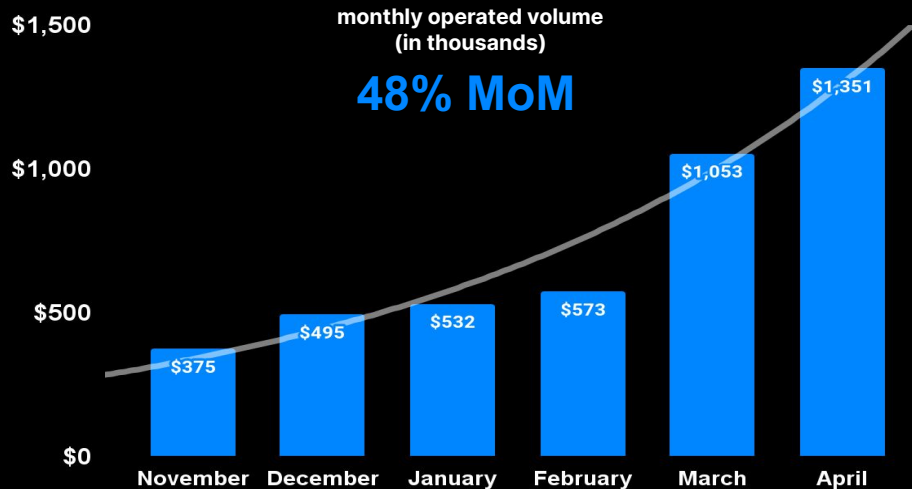

Traction

+\$4M in transactional volume. We have processed **+35K cumulative transactions** with a **Median value of \$277.**

+18K users and growing +40% MoM. We are **operating in Panama and Guatemala.**

Roadmap

2022

2023

2024

Product development

APRIL 23

Launch in Panama

DECEMBER 23

Launch in Guatemala

APRIL 24

Debit Card

MAY 24

Remittances & Yield

2024

Launch in Costa Rica & Honduras
